

I know how to...
make stuff!

Cut out and make
this fun corner

Penguin Bookmark!

Flipper Fun! Put your arms down
by your sides and rock from one foot to
the other to waddle like a penguin.

You will need:

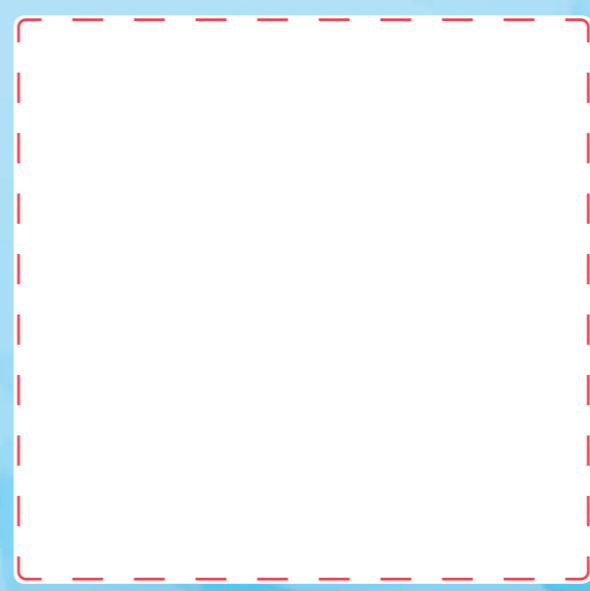

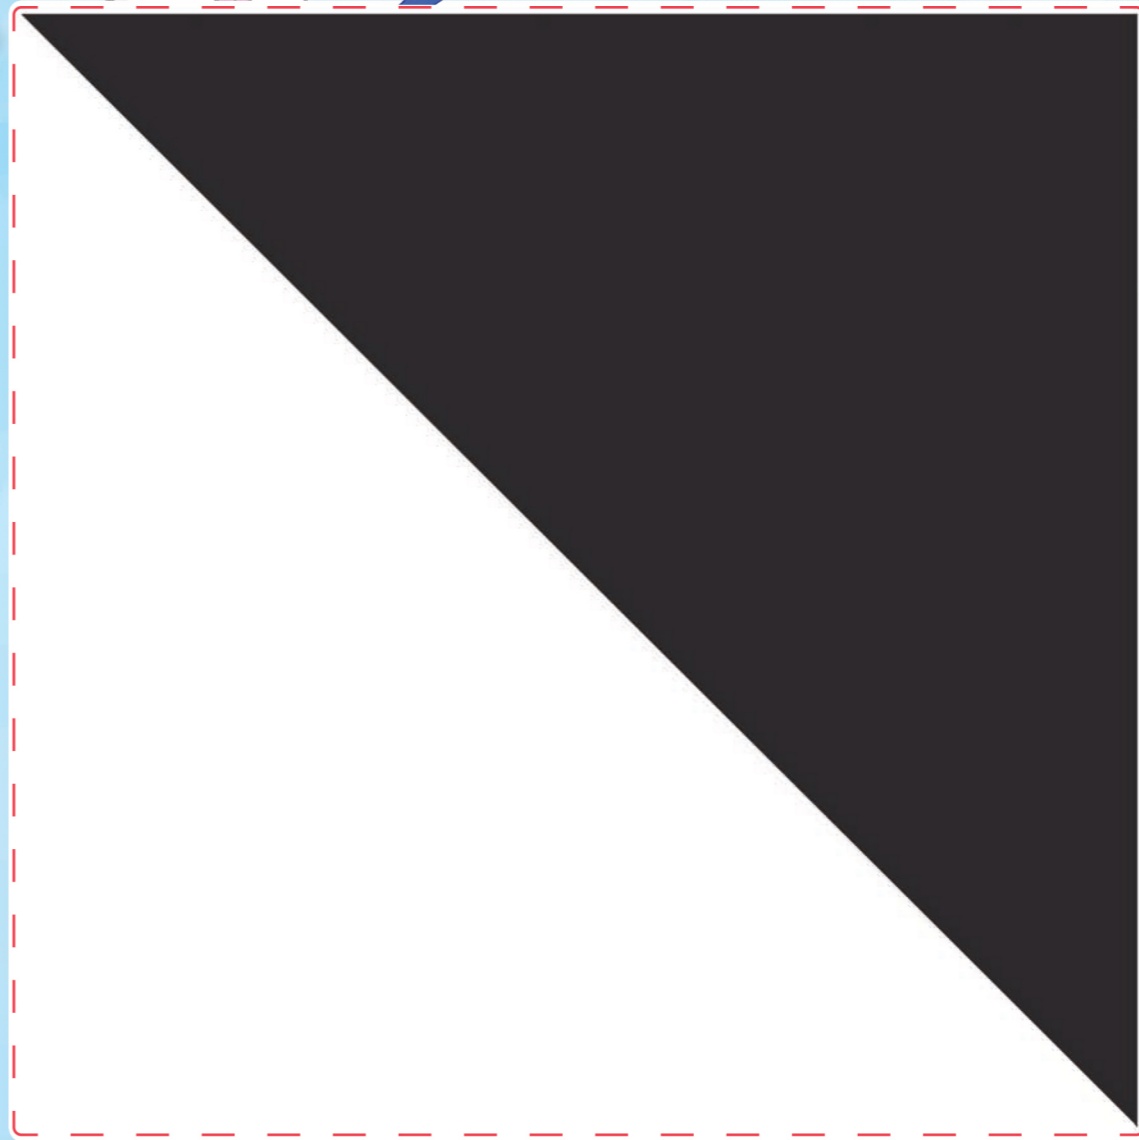

- an adult helper
- child-safe scissors
- glue stick

Cut out all the penguin shapes
opposite! Fold and crease the
large square down the middle
to make a triangle.

On the white triangle side,
fold down corner C to meet
the bottom edge and crease.

Fold corner A up, make a
crease, then tuck inside.
Repeat with corner B.

Glue the small white square inside
your penguin bookmark, then glue
the black markings on top.
Stick on the beak, feet and eyes!
