MATCHING PAIRS

With the help of a parent or guardian, cut out all 10 cards below. Place the cards face down on a flat surface and spread them out so they are not on top of each other. The first player flips two cards to try to find a matching pair. If the cards match, that player keeps the cards and goes again. If they do not match, the cards are flipped back over and it's the next Player's turn. Continue until all the pairs are discovered. Whoever has the most pairs at the end wins!
